

Dear Friends of Spencer Brook,

It is time for us to travel back in time and experience Spencer Brook Pioneer School Summer 2019!

We will be offering two different sessions this year and each session runs for one week. Students in grades 1 - 8 and are over the age of six this year are eligible. Friends and family are also welcome to visit the school during their students session.

We ask that students dress in old-fashioned clothing and bring their lunch in an old lunch pail or basket. Please make sure students do not wear shirts with logos or writing and no pre-packaged food items. Please also have your student(s) bring two sharpened #2 pencils.

Modern tennis shoes are ok as the students will be running around outside. We ask that girls wear dresses or skirts that go down passed their knees. Check your local thrift stores for fun and inexpensive ways to dress your student(s). Food items can be wrapped in wax paper and tied with string and glass jars of water and lemonade are encouraged and can be wrapped in aluminum foil to keep chilled.

The sessions this year will run from 9:00 A.M. - 1:00 P.M. with a program by the students on Friday. The cost will be \$75 per student or \$65 per student if your family is a member of the Isanti County Historical Society. We will be doing online registration this year as well as mailing in. You can download the PDF at our website call or email us and we would be happy to mail you one if you're unable to print from home.

Please note there will be a \$5 registration fee if done online. <https://www.isanticountyhistory.org/>

Session 1: Monday June 24 - Friday June 28

Session 2: Monday August 12 - Friday August 16

Registration is based on a combination of early return of registration form and fee as well as ensuring that each session has a balance of students for each grade.

You will be notified if your first choice of session cannot be accommodated.

Thank you for your interest in the Spencer Brook Pioneer School Program. We really appreciate your support and for allowing your student(s) to experience what rural school was like in 1900.
